ZACH ON AUDIO CD

Three of Zach Clements' most popular presentations recorded before a live audience. Each cd provides over an hour of humor, motivation and Zach's insights on education, kids and schools. Now you can share Zach's message with others and have his words handy for listening anytime - especially when you've had "one of *those* days."

CD 1: Successful Schools: The Possible Dream

Societal Hypocrisy and educator's own behaviors are joyously explored.

CD 2: A Pause for Reflection, Joy and Inspiration

Salutes many unsung heroes working in schools. Features Zach's poignant Italian Grandfather story and everyone's favorite satire on the "Gurus of Education."

CD 3: God Don't Make No Junk

To drive home the point that we must never forget that all kids are different, Zach takes his listeners on a delightful kindergarten journey. Features Zach multiple role-playing of kids, teachers and parents.
