Shelburne, VT 05482

Dear Dr. Clements,

You were received with much acclaim. I intermingled among the six-hundred gathered at the conclusion of your keynote speech. We heard so many words of splendor. All wanted you to come to their businesses and speak with the same sincerity, in which, you addressed them so effortlessly. In most part, they would have liked for you to have continued for another hour. You spoke from the heart, and indeed you touched theirs. Your presence is a lasting impression of the great keynote speakers at PSACF. Continue to make a difference, you are!!!

Continue to pump hope into despair, you do it so eloquently. Could it be said, At the sweetest place on earth, Hershey, you added more sweetness to that environment by words, gestures, and sincerity.

Thanks again for placing our convention at the top of the list for renowned speakers. It was a large audience and you kept them in the palm of your hands for 75 minutes.

Sincerely,
